

INSTRUCTIONS FOR COMPLETING SCORECARDS

A scorecard must be submitted for each scheduled game, NO EXCEPTIONS! The Home Team, the first named team on the game schedule, shall furnish the game scorecard. If the Home Team manager fails to submit a scorecard, it is then the responsibility of the Visiting Team manager to do so.

Prior to the start of the game, the Home Team manager should have completed items 1 through 6. It is highly recommended that this be done prior to your arrival as the game site. The scorecard should then be given to the Visiting Team manager to complete. The completed scorecard should be given to the game official.

NOTE: Those players not participating in the game must be so indicated on the reverse side of the scorecard at item 11 or 12, as appropriate. (Absent, Injured, Sick or Disciplined)

After the game, the remainder of the scorecard should be completed. The game officials are to complete items 7 and 8 and fill in the correct final score for the appropriate sport.

DO NOT SIGN THE CARD UNTIL THE SCORES ARE RECORDED CORRECTLY.

The game officials will then present the scorecard to the managers for a signature at item 9 and 10, verifying the final score as recorded.

If no score is recorded on the scorecard and it is signed by both managers, the official score will be recorded as a 0-0 tie.
